** there are some exceptions which will be detailed separately in Candidate Information guide 2: A Guide to results and Appeals, Section 5 'The viewing of examinations scripts facility.*

IMPORTANT INFORMATION ON THE KEY DATES TABLE

- The facility to view examination scripts is provided free of charge. The fee to appeal a result is €40 per subject for Leaving Certificate and €15.50 per subject for Leaving Certificate applied. The fee is refunded in the case of a successful appeal.
- To provide for the earliest possible issue of the appeal results, the timelines for candidates to apply to view scripts and to lodge their appeal applications are very short. To ensure that the remaining stages of the appeals process can be completed as quickly as possible, the deadlines will be strictly applied.
- Candidates should take note of these dates. Schools are also asked to alert candidates to the timeframes in order that candidates do not miss the opportunity to apply to view their scripts or to make an application to appeal.
- **The SEC will not accept late applications for viewing or for appeals**

Some preliminary details of the appeals process that will operate this year.

Access to Data

On Tuesday 29 August at 12 noon candidates will be able to access more detailed information about each of their examination results including the overall marks that they achieved in the examination; the individual marks in each components of a subject, and details of the any post marking adjustment to these marks. This data is intended to help candidates to understand how they performed in the examinations and may be of assistance to any candidates considering an appeal.

Viewing of Scripts

The Viewing of Scripts process is a core part of the SEC's examination appeals and quality assurance. It allows candidates to see how the marking scheme in each subject has been applied to their scripts and to make an informed decision as to whether or not to make an appeal.

Applying to View

Applications to view Leaving Certificate examination scripts must be made by candidates through the Candidate Self Service Portal between **5 PM on Tuesday 29 August** and **8 PM m on Wednesday 30 August**.

There are two different processes this year for viewing of scripts depending on how the script was marked.

- a) Viewing online through the Candidate Self Service Portal
- b) Viewing in-person in schools

It is important to note that candidates may have to attend school to view some of their scripts and use the portal to access others.

a) Viewing online through the Candidate Self Service Portal

With online marking in the majority of subjects for the 2023 Leaving Certificate, most script viewing will be online through the Candidate Self Service Portal. The online viewing process is delivered through the Candidate Self Service Portal and involves candidates having timebound access to PDFs of the scripts which they can print or download. Online viewing in these subjects will be available over the 24-hour period from 9 AM on Saturday 2 September to 9 AM on Sunday 3 September.

Please refer to table of Leaving Certificate subjects and components that were marked online at Appendix A & B

b) Viewing in schools

There is still a need to provide candidates with in-person script viewing in schools for those subjects, or components of subjects, which were manually marked. Even in subjects which were marked online there are some exceptions which require scripts to be returned to schools for viewing. The following material will be returned to schools for in person viewing;

- Examination scripts in subjects which were manually marked.
- Certain components of subjects which were marked online (e.g. the LCVP portfolio).
- Upon receipt of your application to view examination scripts in the Deferred Examination series, these examination scripts will be returned for viewing to the school in which you were due to sit the original examination in June and NOT the school in which you later sat the deferred examination. (These examinations were not marked online).
- Scripts in online marked subjects that were in atypical format such as Brailled, Enlarged or Modified scripts or scripts in audio format.
- Upon receipt of your application to view Leaving Certificate Applied examination scripts these examination scripts will be returned for viewing to the school.

Please refer to table of manually marked subjects and components at Appendix B.

Viewing in Schools will take place on **Saturday 2 September** and candidates will be assigned to one of two viewing sessions as follows;

1. Session 1. 9.30 AM – 12.30 PM
2. Session 2. 2 PM – 5 PM

Appeals Process

Applications to appeal must be made through the Candidate Self Service Portal between **10 AM Sunday 3 September** and **5 PM Monday 4 September**. A valid application will comprise both the application to appeal and the payment of the appeal fee.

In order that the SEC can process the appeals as quickly as possible, the appeal application deadline will be strictly applied and late applications will not be accepted under any circumstances

The Leaving Certificate Appeals process applies to the marking of the examinations. The Post Marking Adjustment is not open to appeal. The process for the appeal of an examination is a process whereby the script is sent to an appeal examiner who was not involved in the original marking. The appeal examiner will review the marking of every part of every question and will consider whether the mark awarded by the original examiner is correct and reasonable, in line with the marking scheme. If it is, the appeal examiner will award the same mark again. If it is not, the appeal examiner will award what they consider to be the correct mark. In some subjects involving practical/project work it may be necessary for an appeal examiner to visit the school to re-mark work stored by the school

The marking schemes in all examination subjects will be published prior to the Viewing of Scripts on the State Examinations Commission's website.
